

MISHAWAKA

REAL ESTATE ACTIVE; BUSY TIMES ARE AHEAD

Many Buying Lots on Which to Erect Residences in Anticipation of Increased Population—Good Times.

Activity in real estate circles has been very marked during the present week and many inquiries have been received by real estate men from persons out of the city who are anxious to invest in property here. The spring like weather which prevails at present has given an impetus to building operations which are going to be on an extensive scale. Several new real estate offices have already opened for business and it is said that several others are contemplating doing business here this spring and summer. There have been numerous sales of lots reported recently, and most of the purchasers have indicated their intention of erecting workmen's dwellings, of which there is a scarcity in the city.

The alterations are going on apace at the Woolen company's works, and the weather being favorable for building operations, it looks at present as if the company will be able to get to the manufacturing of their new line of light rubbers, even before the time originally set.

Business at the other factories is reported to be improving all round, and the indications for a record year were never brighter in the city's history.

Architects are now busy drawing plans for many new residences, while contractors are being importuned for estimates on various new buildings which are to be erected just as soon as the contractors can get to work.

Three new manufacturing establishments are known to be looking for locations in Mishawaka, and are at present in communication with the commercial bodies of the city and adjacent sites, etc.

"PRISCILLA MINSTREL MISSES" AT CENTURY

"The Priscilla Minstrel Misses" opened an engagement at the Century theater Thursday evening and presented one of the best bills ever seen at the local playhouse. The vaudeville is opened by the "Alice Dudley Trio," in comedy singing and dancing. The trio is composed of the Misses Alice Dudley, Estelle Dudley and Katherine Dudley. They were well received and furnished much merriment for the patrons. Then came the "Orpheum Girls," composed of the Misses Messig, Marie Le Clair and Mildred Dalley. Miss Messig gave several selections on the harp and piano. Miss Le Clair and Miss Dalley possess unusually good soprano voices and contribute several vocal selections. Le Ora Vennet, an eccentric comedienne, gives good imitations of Eva Tanguay and Eddie Foy. She also gives a "rube" number and a whistling act. Miss Ethel Darr displayed marvelous ability in her toe dancing. Then came the minstrel circle with special scenery, the color scheme being black and white. The girls were attired in colonial costumes. The Mildred Dalley acted as the emcee, and the Misses Alice Dudley and Carrie Starr were the comedians.

LOCAL HIGH HOPES TO DEFEAT SOUTH BENDERS

The local high school gym is the scene of much excitement as preparations for the basketball game with South Bend Saturday afternoon are drawing to a close. Every man in the fine condition and ready to put up the game of his life. The team is considerably stronger than when they last met the Benders, as Capt. Bussett's broken wrist has healed and Burnett has overcome the difficulties that he had with his studies. The only doubtful man on the team is Studley, because of his injured side, and it is hoped that he will last the game. The only prediction that Coach Hindelang would make is that the game should be fast and close but the student body is not so conservative and they forecast a Mishawaka victory. Preliminary to the big event the two second string men will meet. The local team will be handicapped by the absence of Roper, who will be out of the fray because of glandular trouble in his neck.

The first team will be composed of Seifert, McKnight, Lovell and Burnett as forwards; Studley, center; Bussett, Branstator, Kooner and Pelton, guards. The seconds are as follows: Berkitt and Hunt, forwards; Crooks, center; Crum, Berbrick and Stubbs, guards.

Many an otherwise attractive girl is a social failure because of a poor complexion. If your skin is not naturally fresh, smooth and glowing, or has suffered from an unwise use of cosmetics, Resinol Soap and Resinol Ointment will almost surely clear it in a normal, healthy way. It is so easy, too.

Just bathe your face for several minutes with Resinol Soap and hot water, working the creamy lather into the skin gently with the fingers. Then wash off with more Resinol Soap and warm water, finishing with a dash of clear, cold water to close the pores.

Do this regularly once or twice a day, occasionally spreading on a little Resinol Ointment for ten or fifteen minutes before using Resinol Soap, and you will be astonished how quickly the healing, antiseptic Resinol medication soothes and cleanses the pores, removes pimples and blackheads, and leaves the complexion clear, fresh and velvety. Resinol Soap and Ointment are sold in all drug stores. For trial free, write to Dept. 15-R, Resinol, Baltimore, Md.

Woman's Health

Requires Care

Women are so constituted as to be peculiarly susceptible to constipation, and their general health depends in large measure on careful regulation and correction of this tendency. Their delicate work-ganisms rebel at the violence of cathartic and purgative remedies, which while they may afford temporary relief, shock the system and seriously disturb the functional organs. A mild laxative is far preferable, and, if properly compounded, much more effective.

The combination of simple laxative herbs with pepsin sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin, is ideal for women's use. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ill.
